My thoughts
have been
going around
in circles,

Stopping
me from
moving
forward.

Rolling
rolling
rolling.

My time
has
stopped
since then.

Without a
destination,
there seems
to be no way
out of my current
situation and hence,

Even if
I have
accepted
the end
of my
one-sided
love.

My
feelings
for her
still
run deep,

There is
no point
trying
to calm
myself
down.

I am
honestly
tired of
this cruel
reality.

Though I have
been holding
on to such
fragile hope,

As long as
I keep looking
forward to
the future,
maybe someday
I would be
able to move
forward.

Even
during the
moments
when I
tried so
hard to
move the
stopped
time.

the world
still looked
grey to me.

To be
needed by
the person
you like.

I want to
indulge
myself
in a world
with colours
too.

How
nice.

I am
envious.

百合姫

Rather
than
being
labelled
as lovers,

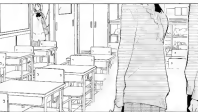

this brings
me more
happiness
and joy,
at least
for me.

I have ever
been needed
by Kaoru,
even once.

I
wonder
if,

「た」とえとどかぬ糸だとしても

I'M TOTALLY FORGOTTEN
THAT IT IS
GOING TO RAIN THIS
EVENING

OH-OH

CLOSE

WELL,
LET ME
SEE.

THERE'S
A TEXT
FROM
REIICHI-KUN!

And oh, there are some
changes to my schedule
and I will be staying here
for a few more days.

Take care.

Thank you.
I will give you a
call when I have
finished work.

He always
sends me
sweet little
messages.

What did
he mean by
"for a few
more days..."

Reichi-kun
does not
really think
about wishing
to come home
earlier...

...Maybe.

"I'M
LONELY."

IT IS SPILLING OVER THE SIDES.

HEY LIT-CHAN

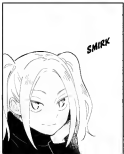

WHAT WERE YOU DAYDREAMING ABOUT?

AHHH!

EHP?

SMIRK

I'M SORRY...

JUST THINKING ABOUT SOMETHING

REI-KUN
TEXTED ME
SAYING THAT
HE WILL NOT
BE BACK FOR
A FEW MORE
DAYS DUE
TO WORK.

In this
and
an odd
even
needed
by Konomi

at
the
end...

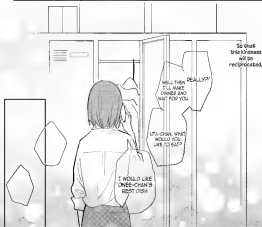

BUT THERE ARE
TIMES THAT I
WOULD WANT
UTA-CHAN
TO BE BY
MY SIDE.

If that's
the case,
I will have
to change
myself as well.

Even if love
is unrequited,
kindness will
last forever.

YES.
